Message by Manager

Dear parents, Teachers and students,
Greetings of Love and peace to one and all. This year we are celebrating Onam in the midst of a great pandemic that took away our economic well-being and cultural socializing to a great extend. We are called upon to be happy with what we have and share with those do not have even what we

have. Let's remind ourselves wearing a 20000 Or 2000 thousand rupees watch, they both say the same time. Whether we carry 3000 Or 300 square feet house, the loneliness is the same. So laugh with, talk with or sing a song with our dear and near ones in this festival season.

Stay Home... Stay Safe...

Message by Principal

Respected Parents, Teachers, Students and Well wishers,
Greetings of Love from Pallotti Hill Public School! It has been a long cherished dream that we would come out with an e-News Letter. Time has come to show the green flag to that. Dear parents and well wishers, it is my privilege to officially present to you "HILL TIMES" – A Tri-Monthly e-News Letter! The e-News Letter would be a platform of the school to update to you the various events and pro-programmes conducted in our school in three months period. At this juncture, I would like to thank the editorial team who have worked tirelessly to make this first issue of the e-News Letter possible for us today. A special word of appreciation to Mr. Saji and Mr. Rahul for the designing; and to Mr. Sasi Kumar and Mrs. Shabeena Sunil for the preparations and editing of the various news. Pallotti Hill School is indebted to all of you.

2020 is going to be a historical year in the life history of all of us. We would certainly keep a record of the Pandemic year in the book of our life's story. Although it has caused so much of damage to our health, economy free movements, etc., one important lesson that we all learned from this is the importance to be at home. All felt the need to be at home, with their dear and near ones. We have realized the value of people and things that we have taken for granted. Let continue to be serious about our life, health, people and things that we enjoy every day of our life.

Stay Safe... Stay Healthy!
